## SEASONAL UPDATES

### SUPPORTING GROWTH

As the Indian Motorcycle brand has grown, we have looked to innovate by delivering class leading products to market, from models like the Chief Vintage, FTR1200 and all new Challenger. In order to meet a growing and diverse consumer, not only are we offering them motorcycles that meet with their lifestyle, we are also developing apparel that is designed to look great both on and off the bike.

**Apparel is divided into three distinct collections; Heritage, Rogue and Moto.** All are carefully designed, with individual styling cues, to meet the needs of our growing rider group and you, as dealers, now have apparel that will help support that growth.

### DEALER MERCHANDISE PROGRAM

To ensure product quality, only authorized Indian Motorcycle apparel and gifts can be retailed in our dealer network. As an Indian Motorcycle dealer, you and your dealership serve as brand representatives. It is crucial that your store carries, promotes and sells official Indian Motorcycle apparel and merchandise. To support you further, we have worked with official licensee, Indigo Clothing, to extend the Dealer Merchandise Program and provide more product options that can be personalized for your dealership. The t-shirt program allows dealers to design fully customized t-shirts, that are specific to your location. We also include additional apparel options, that can be personalized, including hoodies, polos and hats. New for the program is a range of gifts and accessories, including drinkware and keyring. Please refer to the Dealer Merchandise Program catalog, that you can get from your Polaris National Sales Manager or via the Dealer Portal. Alternatively, visit <https://indian.dealmerch.store> to view the range available, exclusively for Indian Motorcycle dealers.

### STOCKING FOR THE SEASON

To determine a typical size run for a jacket, look at your retail velocity and demographic. Below is example sizing typically needed for one jacket or casualwear item depending on the size of your dealership.

	CASUALWEAR			JACKETS	
	Men's	Women's		Men's	Women's
S		1	S		1
M	1	2	M	1	2
L	2	2	L	2	2
XL	2	1	XL	2	1
2X	1		2X	1	

**To get the best out of your upcoming order, ensure you have the right mix of products for the 2021 season.** Your selections directly affect your season’s apparel sales performance, including profitability and customer satisfaction.

### BEFORE YOU ORDER

- Consider what budget you have for this collection.
- Your retail space needs to work to its maximum potential. Do not under or over-fill your apparel display. Focus on fewer styles in greater stock depth, so you have sizes available in store for customers to purchase.
- What is Final Season, and will be obsolete with the new collection?
- Consider your demand during events throughout the season, e.g. Open Houses, Demo Days, etc.
- Don't be too conservative. If you believe in a product you will sell it. You won't sell anything new if you don't present anything new.
- Buy products you like, but make sure you have something for every rider/buyer that comes into your dealership.

**If you don't stock what your customers want, they will go somewhere else to buy their product!**

Our legends were not written. They were forged. On the dirt, mud, and asphalt of America's roads. In the heat of battle. Under the pressure of competition. On the salt at Bonneville. Since 1901. These are the legends that forged America's first motorcycle company.

Legends are not defined by the stories they tell, but by the stories that are told of them. So while our history matters, it's what we do next that will define us. Legends never follow. Never settle for the road most ridden. And are never satisfied repeating history. Because they demand the opportunity to write it.

The Indian Motorcycle Company, in collaboration with The Rokker Company®, have crafted a line of motorcycle jeans that deliver the style and comfort that our riders desire, combined with the safety they demand, manufactured using only the highest quality materials.
